FULL-TIME TENURE-TRACK FACULTY POSITIONS
College of Engineering, Architecture & Computer Sciences
Howard University
Washington, DC

Deadline: Open until filled
Type: Tenured-Track
Salary: Commensurate with experience
Employment Type: Full-Time
Department: Chemical Engineering
Position Number: CEFP2016

The Department of Chemical Engineering in the College of Engineering, Architecture and Computer Sciences (CEACS) seeks outstanding candidate for tenure-track Assistant Professor position beginning August 2016.

Preference will be given to candidates with expertise in core areas of chemical engineering with specialty in one of the department’s thrust areas: Energy, Environment, Nanotechnology and Biomolecular Engineering. Exceptionally qualified candidates in other areas of Chemical Engineering will also be considered. Candidates involved in research bridging disciplines are highly encouraged to apply.

Candidates must have a Ph.D. in Chemical Engineering or related disciplines. Selected candidate is expected to engage in scholarly, research and creative activities, and to teach courses throughout the curriculum, to pursue professional practice and to provide service to the program, the college, and the university and to the community.

To Apply: Complete applications submitted by December 1, 2015 will receive full consideration. Applications received after this date will continue to be reviewed until the positions are filled. Applications must include a cover letter specifying the area of specialization, complete curriculum vitae, statement of research and teaching interests, and names and contact information of at least three references. Submit all documents electronically to howardceacs@howard.edu Please indicate position number (CEFP2016) in the subject line of your submission email.

CEACS is one of Howard University's 13 schools and colleges. The College is home to six academic departments offering accredited undergraduate, graduate and professional degree programs. The departments include Architecture, Chemical Engineering, Civil & Environmental Engineering, Electrical and Computer Engineering, Mechanical Engineering, and Computer Science.

About Howard: Founded in 1867, Howard University is a private, research university that is comprised of 13 schools and colleges. Students pursue studies in more than 120 areas leading to undergraduate, graduate and professional degrees. Since 1998, the University has produced two Rhodes Scholars, two Truman Scholars, a Marshall Scholar, 30 Fulbright Scholars and 11
Pickering Fellows. Howard also produces more on campus African-American Ph.D. recipients than any other university in the United States. For more information on Howard University, call 202-238-2330, or visit the University's Web site at www.howard.edu

**EEO:** The University does not discriminate on the basis of race, color, national and ethnic origin, sex, marital status, religion, or disability. Veteran status and people with disabilities are encouraged to apply. Inquiries regarding provisions for persons with disabilities, equal employment opportunity and Title IX should be directed to the Office of the Vice President for Human Resources at (202) 238-5960.
