FULL-TIME TENURE-TRACK FACULTY POSITIONS  
College of Engineering, Architecture & Computer Sciences  
Howard University  
Washington, DC

Deadline:          Open until filled  
Type:             Tenured-Track  
Salary:           Commensurate with experience  
Employment Type:  Full-Time  
Department:       Architecture  
Position Number:  ARCHFP2016

The Department of Architecture in the College of Engineering, Architecture and Computer Sciences (CEACS) seeks outstanding candidate for tenure-track Assistant Professor position beginning August 2016.

Preference will be given to candidates with expertise in Architectural Design, Architectural History and Theory and Building Technologies Systems/Sustainability. Exceptionally qualified candidates in other areas of Architecture will be considered. Candidates involved in research bridging disciplines are highly encouraged to apply.

Candidates must have a Masters of Architecture or related disciplines. Selected candidate is expected to engage in scholarly, research and creative activities, and to teach courses throughout the curriculum, to pursue professional practice and to provide service to the program, the college, and the university and to the community.

To Apply: Complete applications submitted by December 1, 2015 will receive full consideration. Applications received after this date will continue to be reviewed until the positions are filled. Applications must include a cover letter specifying the area of specialization, complete curriculum vitae, statement of research and teaching interests, and names and contact information of at least three references. Submit all documents electronically to howardeceacs@howard.edu Please include position code (ARCHFP2016) in the subject line of your submission email.

About Howard: Founded in 1867, Howard University is a private, research university that is comprised of 13 schools and colleges. Students pursue studies in more than 120 areas leading to undergraduate, graduate and professional degrees. Since 1998, the University has produced two Rhodes Scholars, two Truman Scholars, a Marshall Scholar, 30 Fulbright Scholars and 11 Pickering Fellows. Howard also produces more on campus African-American Ph.D. recipients than any other university in the United States. For more information on Howard University, call 202-238-2330, or visit the University's Web site at www.howard.edu

About CEACS: CEACS is one of Howard University's 13 schools and colleges. The College is home to six academic departments offering accredited undergraduate, graduate and professional degree programs. The departments include Architecture, Chemical Engineering, Civil &
Environmental Engineering, Electrical and Computer Engineering, Mechanical Engineering, and Computer Science.

**EEO:** The University does not discriminate on the basis of race, color, national and ethnic origin, sex, marital status, religion, or disability. Veteran status and people with disabilities are encouraged to apply. Inquiries regarding provisions for persons with disabilities, equal employment opportunity and Title IX should be directed to the Office of the Vice President for Human Resources at (202) 238-5960.
